RUNYON CANYON
Filming Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

In order to maintain and preserve Runyon Canyon as an attractive environment for both park patrons and the film industry, we ask that you follow the guidelines below:

- **Ok to have a still photo at Runyon Canyon Park Mulholland side on 2/17/14.**
- **Ok to park 1 RV in the Mulholland lot.**
- **Companies are requested to inform all film crew members of the written guidelines for Runyon Canyon.**
- **Vehicles may not block the asphalt road at any time.**

- **Night filming and using Musco lights require special approval.**
- **The company's activities must give the "right of way" to excessive traffic of park patrons.**
- **Cutting any chaparral vegetation and filming in the area overgrown by the chaparral is not permitted.**
